(incorporated in the Kingdom of Sweden as a public company with limited liability)

EUR 500,000,000 Subordinated Fixed to Reset Rate Undated Capital Securities

Issue price: 99.376 per cent.

Samhällsbyggnadsbolaget i Norden AB (publ), a public limited company with limited liability incorporated under the laws of the Kingdom of Sweden (the "**Issuer**") is offering EUR 500,000,000 Subordinated Fixed to Reset Rate Undated Capital Securities (the "**Capital Securities**"). The Issuer intends to apply the net proceeds from the Capital Securities to fund Eligible Assets to promote social purposes in accordance with SBB's Sustainable Financing Framework.

Interest will accrue on the Capital Securities from (and including) 30 June 2021 (the "**Issue Date**") to (but excluding) 30 January 2027 (the "**First Reset Date**") at a rate of 2.875 per cent. per annum, and thereafter at the relevant Reset Interest Rate (as defined in the terms and conditions of the Capital Securities (the "**Conditions**") under Condition 4(d) (*Reset Interest Rates*)). Interest on the Capital Securities will (subject to the option of the Issuer to defer payments, as provided below) be payable annually in arrear on 30 January in each year from (and including) 30 January 2022. The first payment of interest will be made on 30 January 2022 in respect of the period from (and including) the Issue Date to (but excluding) 30 January 2022 (short first coupon).

Payments of interest on the Capital Securities may, at the option of the Issuer, be deferred, as set out in Condition 5(a). Deferred interest, which shall itself bear interest, may be paid at any time at the option of the Issuer (upon notice to the holders of the Capital Securities), and must be paid in the circumstances provided in Condition 5(b)(ii) (*Mandatory Settlement*).

If the Issuer does not elect to redeem the Capital Securities in accordance with Condition 6(e) (*Redemption for Change of Control Event*) following the occurrence of a Change of Control Event (as defined in the Conditions), the then prevailing interest rate per annum (and each subsequent interest rate per annum otherwise determined in accordance with the Conditions) for such Capital Securities shall be increased by an additional five percentage points per annum with effect from (and including) the day immediately following the Change of Control Step-up Date, as set out in Condition 4(i) (*Step-Up after Change of Control Event*).

The Capital Securities are perpetual securities in respect of which there is no fixed redemption date. The Issuer will have the right to redeem the Capital Securities in whole, but not in part, on (a) any date in the three months up to and including the First Reset Date or (b) any Interest Payment Date thereafter, (each such date in (a) or (b) above a "**Par Call Date**") at their principal amount together with any Deferred Interest and other accrued and unpaid interest. The Issuer will also have the right to redeem all, but not some only, of the Capital Securities on any date other than a Par Call Date at their Make-whole Redemption Amount. The Issuer may also redeem the Capital Securities upon the occurrence of a Change of Control Event, a Tax Deductibility Event, a Substantial Repurchase Event, a Capital Event, an Accounting Event or a Withholding Tax Event and may in certain circumstances vary the terms of, or substitute, the Capital Securities, all as set out in the Conditions.

The Capital Securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**") or with any securities regulatory authority of any state or other jurisdiction of the United States. The Capital Securities are being offered and sold outside the United States in accordance with Regulation S under the Securities Act ("**Regulation S**"), and may not be offered and

sold or delivered within the United States or to, for the account or benefit of, U.S. persons (as defined in Regulation S), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

These Listing Particulars have been approved by the Irish Stock Exchange plc, trading as Euronext Dublin ("**Euronext Dublin**"). Application has been made to Euronext Dublin for the Capital Securities to be admitted to Euronext Dublin's official list (the "**Official List**") and to trading on its Global Exchange Market (the "**GEM**").

These Listing Particulars constitute a "**Listing Particulars**" for the purposes of the admission of the Capital Securities to the Official List and to trading on the GEM and, for such purposes, do not comprise a "**prospectus**" for the purposes of Regulation (EU) 2017/1129 (the "**EU Prospectus Regulation**").

References in these Listing Particulars to the Capital Securities being listed (and all related references) shall mean that the Capital Securities have been admitted to the Official List and have been admitted to trading on the GEM. The GEM is the exchange regulated market of Euronext Dublin and is not a regulated market for the purposes of Directive 2014/65/EU (as amended, "**EU MiFID II**").

EU MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of each European Union ("**EU**") manufacturer's product approval process, the target market assessment in respect of the Capital Securities has led to the conclusion that: (i) the target market for the Capital Securities is eligible counterparties and professional clients only, each as defined in EU MiFID II; and (ii) all channels for distribution of the Capital Securities to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Capital Securities (a "**distributor**") should take into consideration the EU manufacturers' target market assessment; however, a distributor subject to EU MiFID II is responsible for undertaking its own target market assessment in respect of the Capital Securities (by either adopting or refining the EU manufacturers' target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of each United Kingdom ("**UK**") manufacturer's product approval process, the target market assessment in respect of the Capital Securities has led to the conclusion that: (i) the target market for the Capital Securities is eligible counterparties and professional clients only, each as defined in UK MiFIR; and (ii) all channels for distribution of the Capital Securities to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Capital Securities (a "**distributor**") should take into consideration the UK manufacturers' target market assessment; however, a distributor subject to the UK MiFIR product governance rules set out in the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Capital Securities (by either adopting or refining the UK manufacturers' target market assessment) and determining appropriate distribution channels.

EU PRIIPs Regulation / PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Capital Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of EU MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97 (the "**EU Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of EU MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Capital Securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Capital Securities or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

UK PRIIPs Regulation / PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Capital Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the Financial Services Markets Act 2000 (as amended, "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that

customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Capital Securities or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Capital Securities or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Singapore Securities and Futures Act Product Classification – Solely for the purposes of its obligations pursuant to sections 309B(1)(a) and 309B(1)(c) of the Securities and Futures Act (Chapter 289 of Singapore) (the **SFA**), the Issuer has determined, and hereby notifies all relevant persons (as defined in Regulation 3(b) of the Securities and Futures (Capital Markets Products) Regulations 2018 (the "**SF (CMP) Regulations**") that the Capital Securities are "**prescribed capital markets products**" (as defined in the SF (CMP) Regulations) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Notice to Canadian Investors – The Capital Securities may be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the Capital Securities must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if these Listing Particulars (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

If applicable, pursuant to section 3A.3 (or, in the case of securities issued or guaranteed by the government of a non-Canadian jurisdiction, section 3A.4) of National Instrument 33-105 Underwriting Conflicts (NI 33-105), the Joint Bookrunners are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering.

The Issuer has been rated BBB- by S&P Global Ratings Europe Limited ("**S&P**") and BBB- by Fitch Ratings Ireland Ltd ("**Fitch**"). The Capital Securities are expected to be rated BB by S&P and BB by Fitch. A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating organisation. Each of S&P and Fitch is established in the European Union ("**EU**") and is registered under Regulation (EC) No. 1060/2009 (as amended) (the "**EU CRA Regulation**"). As such, each of S&P and Fitch is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at www.esma.europa.eu/page/List-registered-and-certified-CRAs) in accordance with the EU CRA Regulation. Accordingly, the Issuer's issuer ratings issued by S&P and Fitch have been endorsed by S&P Global Ratings UK Limited and Fitch Ratings Ltd respectively, each in accordance with Regulation (EC) No. 1060/2009 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**") (the "**UK CRA Regulation**") and have not been withdrawn. As such, the ratings issued by S&P and Fitch may be used for regulatory purposes in the UK in accordance with the UK CRA Regulation.

The Capital Securities will initially be represented by a temporary global capital security (the "**Temporary Global Capital Security**"), without interest coupons, which will be deposited on or about the Issue Date with a common depository for Euroclear Bank SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**"). Interests in the Temporary Global Capital Security will be exchangeable for interests in a permanent global capital security (the "**Permanent Global Capital Security**" and, together with the Temporary Global Capital Security, the "**Global Capital Securities**"), without interest coupons, not earlier than 40 days after the Issue Date upon certification as to non-U.S. beneficial ownership. Interests in the Permanent Global Capital Security will be exchangeable for definitive Capital Securities only in certain limited circumstances. See "*Summary of Provisions relating to the Capital Securities while represented by the Global Capital Securities*".

SUITABILITY OF INVESTMENT

The Capital Securities are complex financial instruments and may not be a suitable investment for all investors. Each potential investor in the Capital Securities must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Capital Securities, the merits and risks of investing in the Capital Securities and the information contained in these Listing Particulars or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Capital Securities and the impact the Capital Securities will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Capital Securities, including where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understands thoroughly the terms of the Capital Securities and be familiar with the behaviour of any relevant financial markets; and
- (v) is able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Prospective investors should consult their tax advisers as to the tax consequences of the purchase, ownership and disposition of the Capital Securities.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Capital Securities are legal investments for it, (2) Capital Securities can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Capital Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Capital Securities under any applicable risk-based capital or similar rules.

RISK FACTORS

Before making an investment decision, prospective investors should carefully review the specific risk factors described below, in addition to the other information contained in these Listing Particulars. The Issuer believes that the following factors may affect the Issuer's ability to fulfil its obligations under the Capital Securities. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. The Issuer's business, financial condition and results of operations could be materially affected by each of these risks presented. Also other risks and uncertainties not described herein could affect the Issuer's ability to fulfil its obligations under the Capital Securities. Additional risks and uncertainties not presently known to the Issuer, or that the Issuer currently believes are immaterial, could impair the ability of the Issuer to fulfil its obligations under the Capital Securities. Certain other matters regarding the operations of the Issuer that should be considered before making an investment in the Capital Securities are set out in these Listing Particulars. The order of presentation of the risk factors in these Listing Particulars is not intended to be an indication of the probability of their occurrence or of their potential effect on the Issuer's ability to fulfil its obligations under the Capital Securities.

The capitalised words and expressions in this section shall have the meanings defined in "*Terms and Conditions of the Capital Securities*".

FACTORS THAT MAY AFFECT THE ISSUER'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER THE CAPITAL SECURITIES

Prospective investors should have regard to the risk factors described under the section headed "*Risk Factors – Factors that may affect the group and the ability of the relevant Issuer to fulfil its obligations under notes issued under the Programme and (if applicable) the ability of the guarantor to fulfil its obligations under the guarantee*" on pages 6 to 16 of the Base Prospectus, which is incorporated by reference into these Listing Particulars with references to Notes in that section being read to refer to the Capital Securities and references to the Guarantor or the Guarantee to be read as not being applicable.

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH THE CAPITAL SECURITIES

Risks related to the Capital Securities generally

Set out below is a brief description of certain risks relating to the Capital Securities generally.

The claims of holders of the Capital Securities are structurally subordinated to those of certain other creditors of the Issuer and to creditors of the Issuer's subsidiaries

Generally, lenders and trade and other creditors of the Issuer's subsidiaries are entitled to payment of their claims from the assets of such subsidiaries before these assets would be available for distribution to the Issuer, as direct or indirect shareholder, which would then allow for the Issuer to make payments under the Capital Securities. Any debt that the Issuer's subsidiaries may incur in the future will also rank structurally senior to Capital Securities.

A significant part of the Group's assets and revenues are generated by the Issuer's subsidiaries. The subsidiaries are legally separated from the Issuer and the subsidiaries' ability to make payments to the Issuer is restricted by, among other things, the availability of funds, corporate restrictions and local law. Furthermore, in the event of insolvency, liquidation or a similar event relating to one of the subsidiaries, all creditors of such subsidiary would be entitled to payment in full out of the assets of such subsidiary before any entity within the Group, as a shareholder, would be entitled to any payments. Thus, the Capital Securities are structurally subordinated to the liabilities of the subsidiaries of the Issuer.

The market price of the Capital Securities may be volatile

The market price of the Capital Securities could be subject to significant fluctuations in response to actual or anticipated variations in the Issuer's operating results and those of its competitors, adverse business developments, changes to the regulatory environment in which the Issuer operates, changes in financial estimates by securities analysts and the actual or expected sale of a large number of the Capital Securities, as well as other factors. In addition, in recent years the global financial markets have experienced significant price and volume fluctuations, which, if repeated in the future, could adversely affect the market price of

the Capital Securities without regard to the Issuer's results of operations, prospects or financial condition. Factors including increased competition or the Issuer's operating results, the regulatory environment, general market conditions, natural disasters, terrorist attacks and war may have an adverse effect on the market price of the Capital Securities.

The proceeds of the Capital Securities will be used to finance Eligible Projects with a social purpose, however, there can be no assurance that such use of proceeds will be suitable for the investment criteria of an investor

The Issuer intends to apply the proceeds from the Capital Securities specifically for projects and activities that promote social purposes (either in those words or otherwise) ("**Eligible Assets**"). For further information see 'Use of Proceeds' below. Prospective investors should have regard to the information contained herein regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in the Capital Securities together with any other investigation such investor deems necessary. In particular no assurance is given by the Issuer that the use of such proceeds for any Eligible Assets will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own articles of association or other governing rules or investment mandates (in particular with regard to any direct or indirect social impact of any projects or uses, the subject of or related to, the relevant Eligible Assets). Furthermore, it should be noted that the definition (legal, regulatory or otherwise) of, and market consensus as to what constitutes a "social" or an equivalently-labelled project continues to evolve (including as a result of the introduction of the so-called 'EU Taxonomy' and similar classification schemes in other jurisdictions), and such Eligible Assets may not reflect these developments. Accordingly, no assurance is or can be given to investors that any projects or uses the subject of, or related to, any Eligible Assets will meet any or all investor expectations regarding such "social" or other equivalently-labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Eligible Assets. No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer or any other member of the Group) which may be made available in connection with the issue of the Capital Securities and in particular with any Eligible Assets to fulfil any social and/or other criteria. For the avoidance of doubt, any such opinion or certification is not, nor shall be deemed to be, incorporated in and/or form part of these Listing Particulars. Any such opinion or certification is not, nor should be deemed to be, a recommendation by the Issuer or any other person to buy, sell or hold any such Capital Securities. Any such opinion or certification is only current as of the date that such opinion or certification was initially issued. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in the Capital Securities. Currently, the providers of such opinions and certifications are not subject to any specific regulatory or other regime or oversight.

In the event that the Capital Securities are listed or admitted to trading on any dedicated "social", or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own articles of association or other governing rules or investment mandates, in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any Eligible Assets. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Issuer or any other person that any such listing or admission to trading will be obtained in respect of the Capital Securities or, if obtained, that any such listing or admission to trading will be maintained during the life of the Capital Securities.

While it is the intention of the Issuer to apply the proceeds of the Capital Securities for Eligible Assets in, or substantially in, the manner described in these Listing Particulars, there can be no assurance that the relevant intended project(s) or use(s) the subject of, or related to, any Eligible Assets will be capable of being implemented in or substantially in such manner and/or in accordance with any timing schedule and that accordingly such proceeds will be totally disbursed for the specified Eligible Assets. Nor can there be any assurance that such Eligible Assets will be completed within any specified period or at all or with the

results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer. Any such event or failure by the Issuer will not constitute an Event of Default under the Capital Securities.

Any such event or failure to apply the proceeds of the Capital Securities for any Eligible Assets as further described under 'Use or Proceeds' below, and/or any withdrawal of any opinion or certification or any such opinion or certification attesting that the Issuer is not complying in whole or in part with any matters for which such opinion or certification is opining or certifying, and/or the Capital Securities no longer being listed or admitted to trading on any stock exchange or securities market as aforesaid may have a material adverse effect on the value of the Capital Securities and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Laws and practices applicable to the Capital Securities may change

The Conditions are based on and governed by English law (other than the Conditions relating to subordination of the Capital Securities, which are based on and governed by Swedish law) in force on the Issue Date. Any new statutes, ordinances and regulations, amendments to the legislation or changes in application of the law (including any amendments to or changes in application of tax laws or regulations) after the issue date may affect the Capital Securities and/or have a material adverse effect on the Issuer's business, financial condition, results of operations and future prospects, and, thereby, on the Issuer's ability to fulfil its obligations under the Capital Securities as well as the market price and value of the Capital Securities.

Denominations involve integral multiples; definitive Capital Securities

The Capital Securities have denominations consisting of a minimum of EUR 100,000 plus integral multiples of EUR 1,000 in excess thereof up to and including EUR 199,000.

It is possible that the Capital Securities may be traded in amounts that are not integral multiples of EUR 100,000. In such a case a holder who, as a result of trading such amounts, holds a principal amount which is less than EUR 100,000 in its account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Capital Securities at or in excess of EUR 100,000 such that its holding amounts to EUR 100,000 or a higher integral multiple of EUR 1,000. Further, a holder of the Capital Securities (each a "**Holder**") who, as a result of trading such amounts, holds a principal amount which is less than EUR 100,000 in its account with the relevant clearing system at the relevant time may not receive a definitive Capital Security in respect of such holding (should definitive Capital Securities be printed) and would need to purchase a principal amount of Capital Securities such that its holding amounts to EUR 100,000.

If definitive Capital Securities are issued, holders should be aware that definitive Capital Securities which have a denomination that is not an integral multiple of EUR 100,000 may be illiquid and difficult to trade.

Modification, Waivers and Substitution

The Conditions contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

The Conditions also provide that the Issuer may, without the consent of Holders, amend the Capital Securities, the Conditions or the Deed of Covenant, if the modification is of a formal, minor or technical nature or is to correct a manifest error. The Conditions provide that the Issuer may, without the consent of the Holders agree to the substitution of another company as the principal debtor in relation to the Capital Securities, all in the circumstances described in the Conditions of the Capital Securities.

In addition, pursuant to Condition 4(j) (*Benchmark Event*), certain modifications may be made to the interest calculation provisions of the Capital Securities in the circumstances and as otherwise set out in such Condition, without the requirement for consent of the Holders.

Investors will have to rely on the procedures of Euroclear and Clearstream, Luxembourg

The Capital Securities will be represented by the applicable Global Capital Security except in certain limited circumstances described in the Global Capital Securities. The Global Capital Security will be

deposited with a common depository for Euroclear and Clearstream, Luxembourg. Except in certain limited circumstances described in the Global Capital Security, investors will not be entitled to receive Capital Securities in definitive form. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Capital Securities. While the Capital Securities are represented by the Global Capital Security, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg. The Issuer will discharge its payment obligations under the Capital Securities by making payments to the common depository for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Capital Security must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Capital Securities. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Capital Security.

Holders of beneficial interests in the Global Capital Security will not have a direct right to vote in respect of the Capital Securities. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies.

Holders of Capital Securities have no voting rights

The Capital Securities are non-voting with respect to general meetings of the Issuer. Consequently, the holders of the Capital Securities cannot influence, *inter alia*, any decisions by the Issuer to defer payments or to optionally settle outstanding payments or any other decisions by the Issuer's shareholders concerning the capital structure of the Issuer.

Risks Related to the Market Generally

An active trading market for the Capital Securities may not develop

The Capital Securities may have no established trading market when issued, and the Issuer cannot assure investors that an active trading market for the Capital Securities will develop or be maintained. If a market does develop, it may not be liquid. In addition, liquidity may be limited if the Issuer makes large allocations to a limited number of investors. Therefore, investors may not be able to sell their Capital Securities at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. A lack of liquidity may have a material adverse effect on the market value of the Capital Securities.

Exchange rate risks and exchange controls exist to the extent payments in respect of the Capital Securities are made in a currency other than the currency in which an investor's activities are denominated

The Issuer will pay principal and interest on the Capital Securities in euros. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than in euros. These include the risk that exchange rates may significantly change (including changes due to devaluation of the euros or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to euros would decrease (1) the Investor's Currency-equivalent yield on the Capital Securities, (2) the Investor's Currency-equivalent value of the principal payable on the Capital Securities and (3) the Investor's Currency equivalent market value of the Capital Securities.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Capital Securities. As a result, investors may receive less interest or principal than expected, or no interest or principal. Changes in market interest rates may adversely affect the value of the Capital Securities. Investment in the Capital Securities involves the risk that subsequent changes in market interest rates may adversely affect the value of the Capital Securities, since the Capital Securities have a fixed rate of interest and prevailing interest rates in the future may be higher than that fixed rate of interest.

Credit ratings may not reflect all risks

The Issuer's credit ratings are an assessment by the relevant rating agencies of its ability to pay its debts when due. Consequently, real or anticipated changes in its credit ratings will generally affect the market value of the Capital Securities. One or more independent credit rating agencies may assign credit ratings to

the Capital Securities. The ratings may not reflect the potential impact of all risks related to the structure and marketing of the Capital Securities and additional factors discussed in these Listing Particulars or any other factors that may affect the value of the Capital Securities. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

In addition, S&P or Fitch or any other rating agency may change their methodologies or their application for rating securities with features similar to the Capital Securities in the future. This may include the relationship between ratings assigned to an issuer's senior securities and ratings assigned to securities with features similar to the Capital Securities, sometimes called "**notching**". If the rating agencies were to change their practices or their application for rating such securities in the future and the ratings of the Capital Securities were to be subsequently lowered, this may have a negative impact on the trading price of the Capital Securities. If as a consequence of an amendment, clarification or change in the equity credit criteria of any Rating Agency, the Capital Securities are no longer eligible for the same or higher category of equity credit attributed to the Capital Securities at the date of their issue (or if equity credit is not assigned on the issue date, at the date when the equity credit is assigned for the first time), the Issuer may redeem the Capital Securities in whole, but not in part, as further described in the Conditions. For a description of the risks related to the early redemption of the Capital Securities, see the Risk Factor entitled "*The Issuer may redeem the Capital Securities early; investors should consider reinvestment risk*".

In general, European regulated investors are restricted under the EU CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the EU CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the EU CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended).

The list of registered and certified rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the EU CRA Regulation is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list.

Investors regulated in the UK are subject to similar restrictions under the UK CRA Regulation. As such, UK regulated investors are required to use for UK regulatory purposes ratings issued by a credit rating agency established in the UK and registered under the UK CRA Regulation. In the case of ratings issued by third country non-UK credit rating agencies, third country credit ratings can either be: (a) endorsed by a UK registered credit rating agency; or (b) issued by a third country credit rating agency that is certified in accordance with the UK CRA Regulation. Note this is subject, in each case, to (a) the relevant UK registration, certification or endorsement, as the case may be, not having been withdrawn or suspended, and (b) transitional provisions that apply in certain circumstances. In the case of third country ratings, for a certain limited period of time, transitional relief accommodates continued use for regulatory purposes in the UK, of existing pre-2021 ratings, provided the relevant conditions are satisfied.

If the status of the rating agency rating the Capital Securities changes for the purposes of the EU CRA Regulation or the UK CRA Regulation, relevant regulated investors may no longer be able to use the rating for regulatory purposes in the EEA or the UK, as applicable, and the Capital Securities may have a different regulatory treatment, which may impact the value of the Capital Securities and their liquidity in the secondary market. Certain information with respect to the credit rating agencies and SBB's ratings is set out on page (iii) of this Listing Particulars.

Risks related to the structure of the Capital Securities

The Capital Securities are subordinated obligations; accordingly, claims in respect of the Capital Securities would rank junior to claims in respect of unsubordinated obligations of the Issuer in the event of an Issuer Winding-up or Issuer Re-construction

The Capital Securities are direct, unsecured and subordinated obligations of the Issuer. In the event of an Issuer Winding-up, the Holders will have a claim ranking behind claims of unsubordinated creditors of the Issuer and creditors of the Issuer in respect of all Subordinated Indebtedness, *pari passu* without any preference among themselves and with any present and future claims in respect of obligations of the Issuer in respect of Parity Securities and in priority to any present and future claims in respect of (i) any class of Share Capital of the Issuer and (ii) any other obligation of the Issuer which ranks or is expressed by its terms to rank junior to the Capital Securities or any Parity Security.

In the event of an Issuer Re-construction, the Holders will have a statutory claim ranking *pari passu* among themselves and with any present or future claims in respect of obligations of the Issuer in respect of Parity Securities, but junior to any present or future claims in respect of all unsubordinated obligations of the Issuer and all Subordinated Indebtedness.

In the event of an Issuer Re-construction, unsecured debt could be subject to a mandatory write-down **provided that** a qualified majority of the unsecured creditors has approved such write-down. All unsecured debt will then be written down pro rata. A debt composition proposal, which yields at least 50 per cent. of the amount of the unsecured debt, shall be deemed to be accepted by the creditors, where three-fifths of the creditors voting have accepted the proposal and their claims amount to three-fifths of the total amount of claims held by the creditors entitled to vote. Where the debt composition percentage is lower, the debt composition proposal shall be deemed to be accepted where three-fourths of the creditors voting have approved the proposal and their claims amount to three-fourths of the total amount of the claims held by the creditors entitled to vote. If a debt composition is approved, all subordinated debt of the Issuer, including the Capital Securities, will be completely written-off. In respect of subordinated debt it is important to notice that subordinated creditors may only take part in the creditors' meeting voting on a proposed debt composition provided the unsubordinated creditors consent to such participation. Potential investors should note that claims in respect of the share capital of the Issuer are not subject to loss absorbing measures under an Issuer Re-construction.

In the event of an Issuer Winding-up or an Issuer Re-construction, Holders will only be eligible to recover any amounts in respect of their Capital Securities if all claims in respect of more senior-ranking obligations of the Issuer (whether secured or unsecured) have first been paid in full. If on an Issuer Winding-up or Issuer Re-construction, the assets of the Issuer are insufficient to repay the claims of all senior-ranking creditors in full, the Holders will lose their entire investment in the Capital Securities. If there are sufficient assets to repay the claims of senior-ranking creditors in full but insufficient assets to enable it to pay claims in respect of the Capital Securities and all other obligations of the Issuer ranking *pari passu* with the Capital Securities, Holders will lose some or substantially all of their investment in the Capital Securities. The Holders therefore face a higher recovery risk than holders of unsubordinated obligations and Subordinated Indebtedness of the Issuer. Furthermore, the Conditions do not limit the amount of the liabilities ranking senior to or *pari passu* with the Capital Securities which may be incurred or assumed by the Issuer from time to time, whether before or after the issue date of the Capital Securities.

Furthermore, subject to applicable law, no Holder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer in respect of, or arising under or in connection with, the Capital Securities and each Holder shall, by virtue of their holding, be deemed to have waived all such rights of set-off, compensation or retention.

In addition, if the financial condition of the Issuer deteriorates such that Issuer Winding-up may be anticipated, the market price of the Capital Securities can be expected to fall, and such fall may be significant. A Holder that sells its Capital Securities in such an event may lose some or substantially all of its initial investment in the Capital Securities (whether or not an Issuer Winding-up subsequently occurs).

The Capital Securities are undated securities and therefore an investment in the Capital Securities constitutes a financial risk for an indefinite period

The Capital Securities are perpetual securities in respect of which there is no fixed redemption date. The Issuer is under no obligation to redeem the Capital Securities at any time and Holders have no right to call for redemption of the Capital Securities.

Therefore, prospective investors should be aware that they may be required to bear the financial risks of an investment in the Capital Securities for a long period and may not recover their investment before the end of this period.

The Issuer may defer interest payments

The Issuer may, under the Conditions, at any time and in its sole discretion (except on any Interest Payment Date on which the Capital Securities are to be redeemed), elect to defer payment of all (but not some only) of the interest which would otherwise be paid on any Interest Payment Date, and the Issuer shall not have any obligation to make such payment and any failure to pay shall not constitute a default by the Issuer for any purpose.

Any interest not paid on an applicable Interest Payment Date and deferred shall constitute Deferred Interest and shall be paid in whole, but not in part, at any time, at the option of the Issuer or on the occurrence of certain mandatory settlement events described in the Conditions.

Any deferral of interest payments will be likely to have an adverse effect on the market price of the Capital Securities. In addition, as a result of such interest deferral provisions of the Capital Securities, the market price of the Capital Securities may be more volatile than the market prices of other debt securities on which interest accrues that are not subject to the above provisions and may be more sensitive generally to adverse changes in the Issuer's financial condition.

The Issuer may redeem the Capital Securities early; investors should consider reinvestment risk

The Issuer will have the right to redeem the Capital Securities in whole, but not in part, on (a) any date in the three months up to and including the First Reset Date or (b) any Interest Payment Date thereafter, (each such date in (a) or (b) above a "**Par Call Date**") at their principal amount together with any Deferred Interest and other accrued and unpaid interest. The Issuer will also have the right to redeem all, but not some only, of the Capital Securities on any date other than a Par Call Date at their Make-whole Redemption Amount. The Issuer may also redeem the Capital Securities upon the occurrence of a Change of Control Event, a Tax Deductibility Event, a Substantial Repurchase Event, a Capital Event, an Accounting Event or a Withholding Tax Event and may in certain circumstances vary the terms of, or substitute, the Capital Securities, all as set out in the Conditions.

In the case of a Tax Deductibility Event, an Accounting Event or a Capital Event, such redemption will be at (i) 101 per cent. of the principal amount of the Capital Securities, where such redemption occurs before the date falling three months prior to the First Reset Date, or (ii) 100 per cent. of the principal amount of the Capital Securities, where such redemption occurs on or after the date falling three months prior to the First Reset Date, together in each case with any Deferred Interest and any other accrued and unpaid interest up to (but excluding) the redemption date.

In the case of a Withholding Tax Event, a Change of Control Event or a Substantial Repurchase Event, such redemption will be at 100 per cent. of the principal amount of the Capital Securities, together with any Deferred Interest and any other accrued and unpaid interest up to (but excluding) the redemption date.

During any period when the Issuer may elect to redeem the Capital Securities or is perceived to be able to redeem the Capital Securities, the market value of the Capital Securities generally will not rise substantially above the price at which they can be redeemed.

The Issuer might redeem the Capital Securities when its cost of borrowing is lower than the interest rate on the Capital Securities. There can be no assurance that, at the relevant time, Holders will be able to reinvest the amounts received upon redemption at a rate that will provide the same return as their investment in the Capital Securities. Potential investors should consider reinvestment risk in light of other investments available at that time.

Substitution or variation of the Capital Securities

There is a risk that, after the issue of the Capital Securities, a Tax Deductibility Event, a Capital Event, an Accounting Event or a Withholding Tax Event may occur which would entitle the Issuer, without any requirement for the consent or approval of the Holders, to substitute all, but not some only, of the Capital Securities for, or vary the terms of the Capital Securities so that they become or remain, Qualifying Capital Securities.

Whilst Qualifying Capital Securities are required to have terms which are not materially less favourable to Holders than the terms of the Capital Securities (as reasonably determined by the Issuer in consultation with an independent investment bank, independent financial adviser or legal counsel of international standing), there can be no assurance that the Qualifying Capital Securities will not have a significant adverse impact on the price of, and/or the market for, the Capital Securities, nor that there will not be any adverse tax consequences for any Holders of the Capital Securities arising from such substitution or variation.

Fixed rate securities have a market risk

The Capital Securities will bear interest at a fixed rate, reset by reference to the 5 Year EUR Mid-Swap Rate plus a margin on the First Reset Date for the Capital Securities and on each fifth anniversary of such First Reset Date. A holder of a security with a fixed interest rate is exposed to the risk that the price of such security falls as a result of changes in the current interest rate on the capital market (the "**Market Interest Rate**"). While the nominal interest rate of a security with a fixed interest rate is fixed during the life of such security or during a certain period of time, the Market Interest Rate typically changes on a daily basis. A change of the Market Interest Rate may cause the price of such security to change. If the Market Interest Rate increases, the price of such security typically falls. If the Market Interest Rate falls, the price of a security with a fixed interest rate typically increases. Potential investors should be aware that movements of the Market Interest Rate can adversely affect the price of the Capital Securities and can lead to losses for the Holders if they sell such Capital Securities.

Each Reset Interest Rate may be different from the initial interest rate of the Capital Securities and may adversely affect the yield of such Capital Securities.

Reform and Regulation of "benchmarks"

The euro interbank offered rate ("**EURIBOR**") (which is the floating leg of the 5 Year EUR Mid-Swap Rate used in the reset provisions for the Capital Securities), and other indices which are deemed "**benchmarks**" (each a "**Benchmark**" and together, the "**Benchmarks**"), to which the interest on the Capital Securities during any Reset Period is linked, have become the subject of regulatory scrutiny and recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on the value of and the amount payable under the Capital Securities. International proposals for reform of Benchmarks include the European Council's Regulation (EU) 2016/1011 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds (the "**EU Benchmark Regulation**") which was published in the official journal on 29 June 2016 and has applied from 1 January 2018.

Any changes to a Benchmark as a result of the EU Benchmark Regulation or other initiatives, could have a material adverse effect on the costs of refinancing securities linked to such Benchmark or the costs and risks of administering or otherwise participating in the setting of a Benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or participate in certain Benchmarks, trigger changes in the rules or methodologies used in certain Benchmarks or lead to the disappearance of certain Benchmarks. Although it is uncertain whether or to what extent any of the abovementioned changes and/or any further changes in the administration or method of determining a Benchmark could have an effect on the value of the Capital Securities, investors should be aware that they face the risk that any changes to the relevant Benchmark may have a material adverse effect on the value of and the amount payable under the Capital Securities.

The EU Benchmark Regulation and Regulation (EU) No. 2016/1011 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "**UK Benchmark Regulation**") apply to the

provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark, within the EU and the UK, respectively.

The EU Benchmark Regulation and the UK Benchmark Regulation could have a material impact on the Capital Securities, in particular, if the methodology or other terms of the benchmark are changed in order to comply with the requirements of the EU Benchmark Regulation or the UK Benchmark Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the benchmark.

Holders of the Capital Securities have very limited rights in relation to the enforcement of payments on the Capital Securities

If a default is made by the Issuer for a period of 30 days or more in relation to the payment of any interest, principal or premium in respect of the Capital Securities which is due and payable, the rights of the Holders in respect of the Capital Securities are limited to instituting proceedings for an Issuer Winding-up, and the Holders may prove and/or claim in respect of the Capital Securities in an Issuer Winding-up.

Whilst the claims of the Holders in an Issuer Winding-up are for the principal amount of their Capital Securities together with any Deferred Interest and any other accrued and unpaid interest, such claims will be subordinated as provided above under "*The Capital Securities are subordinated obligations; accordingly, claims in respect of the Capital Securities would rank junior to claims in respect of unsubordinated obligations of the Issuer in the event of an Issuer Winding-up*". The Holders shall not be entitled to accelerate payments of interest or principal under the Capital Securities in any circumstances outside an Issuer Winding-up. Furthermore, whilst the Holders may institute other proceedings against the Issuer to enforce the terms of the Capital Securities, the Issuer shall not, by virtue of such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

Accordingly, the Holders' rights of enforcement in respect of payments under the Capital Securities are very limited.

No limitation on issuing or guaranteeing debt ranking senior to or pari passu with the Capital Securities

There is no restriction in the Conditions on the amount of debt which the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness or guarantees of third parties, including indebtedness that ranks *pari passu* with or senior to the Capital Securities. The issue of any such securities or the incurrence of any such other liabilities may reduce the amount (if any) recoverable by Holders on an Issuer Winding-up and/or may increase the likelihood of a deferral of interest payments under the Capital Securities.

The current IFRS accounting classification of financial instruments such as the Capital Securities as equity instruments may change, which may result in the occurrence of an Accounting Event

In June 2018, the IASB (International Accounting Standards Board) published the discussion paper DP/2018/1 on "**Financial Instruments with Characteristics of Equity**" (the "**DP/2018/1 Paper**"), and public meetings were held on 23 October 2019, 16 December 2020 and 16 February 2021 to discuss the proposals contained therein. During the 16 December 2020 meeting, the IASB decided to add the "Financial Instruments with Characteristics of Equity" project to its standard setting programme and to continue using the expertise of advisory bodies instead of establishing a dedicated consultative group for the project. During the 16 February 2021 meeting, (i) the IASB discussed potential refinements to disclosure proposals explored in the DP/2018/1 Paper namely, proposals for information about priority on liquidation, potential dilution, and terms and conditions, but was not asked to make any decisions but directed the staff to further consider the objectives of the proposed disclosures and their scope and (ii) the IASB also discussed challenges in accounting for financial instruments with obligations that arise only on liquidation of an entity and also discussed potential classification, presentation and disclosure requirements to address those challenges and tentatively decided not to change how such instruments should be classified; but instead to develop presentation and disclosure requirements in relation to them. If the proposals set out in the DP/2018/1 Paper are implemented in their current form, the current IFRS accounting classification of financial instruments such as the Capital Securities as equity instruments may change and this may result in the occurrence of an Accounting Event. In such an event, the Issuer may have the option to redeem, in whole but not in part, the Capital Securities (pursuant to Condition 6(c)). The implementation of any of the proposals set out in the DP/2018/1 Paper or any other similar such proposals that may be made in the future,

including the extent and timing of any such implementation, if at all, is uncertain. Accordingly, no assurance can be given as to the future classification of the Capital Securities from an accounting perspective or whether any such change may result in the occurrence of an Accounting Event, thereby providing the Issuer with the option to redeem the Capital Securities or substitute or vary the terms of the Capital Securities pursuant to the Conditions.

For a description of the risks related to the early redemption of the Capital Securities, see the Risk Factor entitled "*The Issuer may redeem the Capital Securities early; investors should consider reinvestment risk*".

Discontinuation of the Original Reference Rate

The Conditions provide that, if a Benchmark Event (as defined in the Conditions) (which, amongst other events, includes the Original Reference Rate ceasing to exist, be administered or be published) occurs, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser. The Issuer and the Independent Adviser shall endeavour to determine a Successor Rate or an Alternative Rate to be used in place of the Original Reference Rate. The use of any such Successor Rate or Alternative Rate to determine the Reset Interest Rate for a Reset Period may result in the Capital Securities performing differently (which may include payment of a lower Reset Interest Rate for such Reset Period) than they would do if the Original Reference Rate were to continue to apply.

If a Successor Rate or Alternative Rate is determined by the Issuer and the Independent Adviser, the terms and conditions of the Capital Securities also provide that an Adjustment Spread may be determined by the Issuer and the Independent Adviser and applied to such Successor Rate or Alternative Rate. The aim of the Adjustment Spread is to reduce or eliminate, to the extent reasonably practicable, any economic prejudice or benefit (as the case may be) to Holders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate. However, it may not be possible to determine or apply an Adjustment Spread and, even if an Adjustment Spread is applied, such Adjustment Spread may not be effective to reduce or eliminate economic prejudice to Holders. If no Adjustment Spread can be determined, a Successor Rate or Alternative Rate may nonetheless be used to determine the Reset Interest Rate for a Reset Period. The use of any Successor Rate or Alternative Rate (including with the application of an Adjustment Spread) may still result in the Capital Securities performing differently (which may include payment of a lower Reset Interest Rate for such Reset Period) than they would if the Original Reference Rate were to continue to apply in its current form.

Furthermore, if a Successor Rate, Alternative Rate and/or Adjustment Spread, as applicable, is determined by the Issuer and the Independent Adviser, the terms and conditions of the Capital Securities provide that the Issuer and the Independent Adviser may agree to vary the terms and conditions of the Capital Securities, as necessary, to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread, as applicable, without any requirement for consent or approval of the Holders.

Notwithstanding the occurrence of a Benchmark Event, the Issuer may be unable to appoint an Independent Adviser in accordance with the Terms and Conditions of the Capital Securities, or the Issuer and the Independent Adviser may not be able to determine, or may not agree on the selection of, a Successor Rate or Alternative Rate in accordance with the Terms and Conditions of the Capital Securities before the Reset Interest Determination Date in respect of a Reset Period. In such circumstances, the Conditions provide for certain additional fall-back provisions which may result in (i) the 5 Year EUR Mid-Swap Rate being set by reference to offered quotations from banks communicated to the Calculation Agent or (ii) the last 5 Year EUR Mid-Swap Rate that was available on the Reset Screen Page being used to determine the Reset Interest Rate for a Reset Period.

Notwithstanding the fallback provisions relating to Benchmark Events discussed above, no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to (i) result in a reduction of the amount of "equity credit" assigned to the Capital Securities by any Rating Agency when compared to the "equity credit" assigned to the Capital Securities immediately prior to the occurrence of the relevant Benchmark Event from such Rating Agency or (ii) otherwise prejudice the eligibility of the Capital Securities for "equity credit" from any Rating Agency.

If the Issuer is unable to appoint an Independent Adviser or the Issuer and the Independent Adviser fail to determine, or do not agree on the selection of, a Successor Rate or Alternative Rate for the life of the Capital

Securities, or if the circumstances set out in the previous paragraph arise, this could result in the Capital Securities, in effect, becoming fixed rate securities.

Any of the foregoing could have an adverse effect on the value or liquidity of, and return on the Capital Securities.

Interests of the Issuer's shareholders may conflict with those of the holders of the Capital Securities

The interests of the Issuer's shareholders, in certain circumstances, may conflict with those of the Holders, particularly if the Issuer encounters financial difficulties or is unable to pay its debts when due. In addition, the Issuer's shareholders may have an interest in pursuing acquisitions, divestitures, financings or other transactions that, in their judgment, could enhance their equity investments, even though such transactions might involve risks to the Holders. Any of these actions could have an adverse effect on the Issuer's business, financial condition, results of operations and future prospects.

FORWARD-LOOKING STATEMENTS

Certain statements included in these Listing Particulars may constitute "**forward-looking statements**". Forward-looking statements are all statements in these Listing Particulars that do not relate to historical facts and events, and include statements concerning the Issuer's plans, objectives, goals, strategies and future operations and performance and the assumptions underlying these forward-looking statements. The Issuer uses the words "**may**", "**will**", "**could**", "**believes**", "**assumes**", "**intends**", "**estimates**", "**expects**", "**plans**", "**seeks**", "**approximately**", "**aims**", "**projects**", "**anticipates**" or similar expressions, or the negative thereof, to generally identify forward- looking statements.

Forward-looking statements are set forth in a number of places in these Listing Particulars, including (without limitation) in the sections "*Risk Factors*" and "*Description of the Issuer and its operations*". The Issuer has based these forward-looking statements on the current view with respect to future events and financial performance. These views involve uncertainties and are subject to certain risks, the occurrence of which could cause actual results to differ materially from those predicted in the forward-looking statements contained in these Listing Particulars and from past results, performance or achievements. Although the Issuer believes that the estimates and the projections reflected in its forward-looking statements are reasonable, if one or more of the risks or uncertainties materialise or occur, including those which the Issuer has identified in these Listing Particulars, or if any of the Issuer's underlying assumptions prove to be incomplete or incorrect, the Issuer's actual results of operations may vary from those expected, estimated or projected.

These forward-looking statements are made only as at the date of these Listing Particulars. Except to the extent required by law, the Issuer is not obliged to, and does not intend to, update or revise any forward-looking statements made in these Listing Particulars whether as a result of new information, future events or otherwise. All subsequent written or oral forward-looking statements attributable to the Issuer, or persons acting on the Issuer's behalf, are expressly qualified in their entirety by the cautionary statements contained throughout these Listing Particulars. As a result of these risks, uncertainties and assumptions, a prospective purchaser of the Capital Securities should not place undue reliance on these forward-looking statements.

TERMS AND CONDITIONS OF THE CAPITAL SECURITIES

The following, except for paragraphs in italics, is the text of the terms and conditions of the Capital Securities which, subject to modification, will be endorsed on each Capital Security in definitive form (if issued):

The EUR 500,000,000 Subordinated Fixed to Reset Rate 5.6 year Non-Call Undated Capital Securities (the "**Capital Securities**", which expression includes any Further Capital Securities issued pursuant to Condition 17 (*Further Issues*) and forming a single series therewith) of Samhällsbyggnadsbolaget i Norden AB (publ) AB (the "**Issuer**") are the subject of a fiscal agency agreement dated 30 June 2021 (as amended or supplemented from time to time, the "**Agency Agreement**") between the Issuer, Deutsche Bank AG, London Branch, as fiscal agent (the "**Fiscal Agent**"), paying agent (together with the Fiscal Agent and any successor or additional paying agent appointed from time to time in connection with the Capital Securities, the "**Paying Agents**"), and calculation agent (the "**Calculation Agent**", which expression includes any successor calculation agent appointed from time to time in connection with the Capital Securities). Certain provisions of these Conditions are summaries of the Agency Agreement and subject to its detailed provisions. The Capital Securities have the benefit of a deed of covenant dated 30 June 2021 (the "**Deed of Covenant**") entered into by the Issuer. The holders of the Capital Securities (the "**Holder**s") and the holders of the related interest coupons (the "**Couponholders**" and the "**Coupons**", respectively) and the holders of talons ("**Talons**") for future Coupons, are bound by, and are deemed to have notice of, all the provisions of the Agency Agreement applicable to them. Copies of the Agency Agreement and Deed of Covenant are available for inspection by Holders during normal business hours at the registered office for the time being of the Fiscal Agent, being at the date hereof Winchester House, 1 Great Winchester Street, London EC2N 2DB, United Kingdom. Any capitalised terms not defined herein shall be given the meaning attributed in the Agency Agreement.

1. **Form, Denomination and Title**

(a) ***Form and Denomination***

The Capital Securities are serially numbered and in bearer form in denominations of EUR 100,000 and integral multiples of EUR 1,000 in excess thereof up to and including EUR 199,000, each with Coupons and a Talon attached at the time of issue. No definitive Capital Securities will be issued with a denomination above EUR 199,000. Capital Securities of one denomination may not be exchanged for Capital Securities of any other denomination.

(b) ***Title***

Title to the Capital Securities, Coupons and Talons will pass by delivery. The Issuer and any Paying Agent will (except as ordered by a court of competent jurisdiction or as otherwise required by law) deem and treat the bearer of any Capital Security, Coupon or Talon as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it, any writing on it, or its theft or loss) and shall not be required to obtain any proof thereof or as to the identity of such bearer.

2. **Status**

The Capital Securities and the Coupons constitute direct, unsecured and subordinated obligations of the Issuer. The rights and claims of the Holders in respect of the Capital Securities and the Couponholders in respect of the Coupons, in each case against the Issuer, are subordinated as described in Condition 3(a) (*Rights on a Winding-Up or Company Re-Construction*).

3. **Subordination and Rights on a Winding-Up**

(a) ***Rights on a Winding-Up or Company Re-Construction***

In the event of the voluntary or involuntary liquidation (Sw. *likvidation*) or bankruptcy (Sw. *konkurs*) of the Issuer (each an "**Issuer Winding-up**"), the Holders shall, in respect of their Capital Securities, have a claim (in lieu of any other amount) for the principal amount of the Capital Securities and any accrued and unpaid interest (including any Deferred Interest) thereon and such claims will rank:

- (i) *pari passu* without any preference among themselves and with any present or future claims in respect of obligations of the Issuer in respect of Parity Securities;
- (ii) in priority to all present or future claims in respect of (A) any Share Capital of the Issuer and (B) any other obligation of the Issuer which ranks or is expressed by its terms to rank junior to the Capital Securities or any Parity Security; and
- (iii) junior to any present or future claims in respect of (A) all unsubordinated obligations of the Issuer and (B) all Subordinated Indebtedness.

In the event of a company re-construction (Sw. företagsrekonstruktion) of the Issuer under the Swedish Company Reorganisation Act (Sw. lag (1996:764) om företagsrekonstruktion) (an "**Issuer Re-construction**"), the Holders shall, in respect of the Capital Securities and Coupons, have a statutory claim (in lieu of any other amount) for the principal amount of their Capital Securities and any accrued and unpaid interest (including any Deferred Interest) thereon and such claims will rank:

- (i) *pari passu* without any preference among themselves and with any present or future claims in respect of obligations of the Issuer in respect of Parity Securities; and
- (ii) junior to any present or future claims in respect of (A) all unsubordinated obligations of the Issuer and (B) all Subordinated Indebtedness.

Claims in respect of the Share Capital of the Issuer, including the Outstanding Preference Shares, are not subject to loss absorbing measures under an Issuer Re-construction.

(b) **Set-Off**

Subject to applicable law, no Holder or Couponholder may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer in respect of, or arising under or in connection with the Capital Securities or the Coupons and each Holder and Couponholder shall, by virtue of its holding of any Capital Security or Coupon, be deemed to have waived all such rights of set-off, compensation or retention.

4. **Interest**

(a) **Interest Accrual**

The Capital Securities bear interest on their principal amount at the applicable Interest Rate from (and including) 30 June 2021 (the "**Issue Date**") in accordance with the provisions of this Condition 4 (*Interest*).

The Capital Securities (and any unpaid amounts thereon) will cease to bear interest from (and including) the date of redemption thereof pursuant to the relevant paragraph of Condition 6 (*Redemption*) or the date of substitution thereof pursuant to Condition 7 (*Substitution or Variation*), as the case may be, unless, upon due presentation, payment of all unpaid amounts in respect of the Capital Securities is not made, in which event interest shall continue to accrue in respect of the principal amount of, and any other unpaid amounts on, the Capital Securities, both before and after judgment, and shall be payable as provided in these Conditions up to (but excluding) the Relevant Date.

When interest is required to be calculated in respect of a period of less than a full year, such interest shall be calculated on the basis of the actual number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Issue Date) to (but excluding) the relevant payment date divided by the actual number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Issue Date) to (but excluding) the next (or, as the case may be, the first) scheduled Interest Payment Date (the "**day-count fraction**"). Where it is necessary to compute an amount of interest in respect of any Capital Security for a period of more than an Interest Period, such interest shall be the aggregate of the interest computed in respect of a full year plus the interest computed in respect of the period exceeding the full year calculated in the manner as aforesaid.

Interest in respect of any Capital Security shall be calculated per EUR1,000 in principal amount thereof (the "**Calculation Amount**"). The amount of interest calculated per Calculation Amount for any period shall be equal to the product of the relevant Interest Rate, the Calculation Amount and the day-count fraction for the relevant period and rounding the resulting figure to the nearest cent (half a cent being rounded upwards). The amount of interest payable in respect of a Capital Security shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the denomination of such Capital Security without any further rounding.

(b) ***Interest Payment Dates***

Subject to Condition 5 (*Optional Interest Deferral*), interest shall be payable on the Capital Securities annually in arrear on 30 January in each year (each an "**Interest Payment Date**") from (and including) 30 January 2022 (the "**First Interest Payment Date**").

(c) ***Initial Interest Rate***

The Interest Rate in respect of each Interest Period commencing prior to the First Reset Date is 2.875 per cent. per annum (the "**Initial Interest Rate**").

The first payment of interest, to be made on the First Interest Payment Date, will be in respect of the short first period from (and including) the Issue Date to (but excluding) the First Interest Payment Date and will amount to EUR 16.86 per Calculation Amount. The Interest Payment in respect of each Interest Period commencing on or after the First Interest Payment Date and before the First Reset Date will amount to EUR 28.75 per Calculation Amount (and any such Interest Payment may be deferred in accordance with Condition 5 (*Optional Interest Deferral*)).

(d) ***Reset Interest Rates***

The Interest Rate in respect of each Interest Period falling in a Reset Period shall be the aggregate of the applicable Margin and the applicable 5 Year EUR Mid-Swap Rate for such Reset Period, all as determined by the Calculation Agent (each a "**Reset Interest Rate**").

(e) ***Determination of Reset Interest Rates and Calculation of Interest Amounts***

The Calculation Agent shall, at or as soon as practicable after 11.00 a.m. (Central European Time) on each Reset Interest Determination Date, determine the Reset Interest Rate in respect of the Reset Period commencing immediately following such Reset Interest Determination Date and shall calculate the amount of interest which will (subject to deferral in accordance with Condition 5 (*Optional Interest Deferral*)) be payable per Calculation Amount in respect of each such Interest Period (the "**Interest Amount**").

(f) ***Publication of Reset Interest Rates and Interest Amounts***

Unless the Capital Securities are to be redeemed, the Issuer shall cause notice of each Reset Interest Rate and each related Interest Amount to be given to the Fiscal Agent, Paying Agents, any stock exchange on which the Capital Securities are for the time being listed or admitted to trading and, in accordance with Condition 18 (*Notices*), the Holders, in each case as soon as practicable after its determination but in any event not later than the first Business Day of the relevant Reset Period.

(g) ***Calculation Agent***

The Issuer may from time to time replace the Calculation Agent with another reputable independent financial institution of good standing. If the Calculation Agent is unable or unwilling to continue to act as the Calculation Agent or fails to determine a Reset Interest Rate or calculate the related Interest Amount or effect the required publication thereof (in each case as required pursuant to these Conditions), the Issuer shall forthwith appoint another reputable independent financial institution of good standing to act as such in its place. The Calculation Agent may not resign its duties or be removed without a successor having been appointed as aforesaid. If the Issuer fails to appoint a successor Calculation Agent in a timely manner, then the Calculation Agent shall be entitled to appoint as its successor a reputable independent financial institution of good standing which the Issuer shall approve.

(h) ***Determinations of Calculation Agent Binding***

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 4 (*Interest*) by the Calculation Agent shall (in the absence of wilful default, gross negligence, fraud or manifest error) be binding on the Issuer, the Calculation Agent, the Paying Agents and all Holders and Couponholders and (in the absence of wilful default, gross negligence or fraud) no liability to the Holders, the Couponholders or the Issuer shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of any of its powers, duties and discretions.

(i) ***Step-Up after Change of Control Event***

Notwithstanding any other provision of this Condition 4 (*Interest*), if the Issuer does not elect to redeem the Capital Securities in accordance with Condition 6(e) (*Redemption for Change of Control Event*) following the occurrence of the first Change of Control Event to occur on or after the Issue Date, the then prevailing Interest Rate, and each subsequent Interest Rate otherwise determined in accordance with the provisions of this Condition 4 (*Interest*), in respect of the Capital Securities shall be increased by an additional 5 percentage points per annum with effect from (and including) the day immediately following the Change of Control Step-up Date.

(j) ***Benchmark Event***

(i) Notwithstanding the provisions above in this Condition 4 (*Interest*), if, (on or after 30 July 2026, the Issuer (in consultation with the Calculation Agent) determines that a Benchmark Event has occurred in relation to the Original Reference Rate (whether such occurrence is before, on or after 30 July 2026) when any Reset Interest Rate (or any component part thereof) remains to be determined by reference to the Original Reference Rate, then the following provisions shall apply:

(A) The Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer and the Independent Adviser determining, no later than five Business Days prior to the relevant Reset Interest Determination Date, a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(j)(i)(B)) below) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(j)(i)(C) below) and any Benchmark Amendments (in accordance with Condition 4(j)(i)(D) below).

An Independent Adviser appointed pursuant to this Condition shall act in good faith as an expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, the Calculation Agent, any Paying Agent or the Holders, or the Couponholders for any determination made by it or for any advice given to the Issuer in connection with the operation of this Condition 4(j).

(B) If:

(1) the Issuer and the Independent Adviser agree that there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4(j)(i)(C) below) subsequently be used in place of the Original Reference Rate as a component part of determining the relevant Reset Interest Rate(s) for all future payments of interest on the Capital Securities (subject to the subsequent further operation of this Condition 4(j)); or

(2) the Issuer and the Independent Adviser agree that there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4(j)(i)(C) below) subsequently be used in place of the Original Reference Rate as a component part of determining the relevant Reset Interest Rate(s) for all future payments of interest on the Capital Securities (subject to the subsequent further operation of this Condition 4(j)); or

- (3) either (I) the Issuer is unable to appoint an Independent Adviser or (II) the Issuer and the Independent Adviser do not agree on the selection of a Successor Rate or an Alternative Rate, five Business Days prior to the Reset Interest Determination Date relating to any applicable Reset Period, the fallback provisions set out in the definitions of 5 Year EUR Mid-Swap Rate and Reset Reference Bank Rate in Condition 22 (*Definitions*) will continue to apply. For the avoidance of doubt, this Condition 4(j)(i)(B)(3) shall apply to the determination of the Reset Interest Rate on the relevant Reset Interest Determination Date only, and the Reset Interest Rate applicable to any subsequent Reset Period(s) is subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(j).
- (C) If the Issuer and the Independent Adviser agree (I) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be).
- (D) If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(j) and the Issuer and the Independent Adviser agree: (I) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (II) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(j)(i)(E) below, without any requirement for the consent or approval of the Holders, vary these Conditions and/or the Agency Agreement to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 4(j)(i)(D), the Issuer shall comply with the rules of any stock exchange or other relevant authority on or by which the Capital Securities are for the time being listed or admitted to trading.

- (E) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(j) will be notified promptly (and in any case, no later than five Business Days prior to the Reset Interest Determination Date relating to any applicable Reset Period) by the Issuer to the Calculation Agent, the Paying Agents and, in accordance with Condition 18 (*Notices*), the Holders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any and will be binding on the Issuer, the Calculation Agent, the Paying Agents and the Holders.
- (F) Without prejudice to the obligations of the Issuer under this Condition 4(j)(i), the Original Reference Rate and the fallback provisions provided for in the definitions of 5 Year EUR Mid-Swap Rate and Reset Reference Bank Rate in Condition 22 (*Definitions*) will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with this Condition 4(j).

Notwithstanding any other provision of this Condition 4, if in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4, the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

Such Benchmark Amendments shall not impose more onerous obligations on the party responsible for determining the Reset Interest Rate or expose it to any additional duties or liabilities unless such party consents.

Notwithstanding any other provision of this Condition 4(j), no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any Benchmark Amendments be made, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to (i) result in a reduction of the amount of "equity credit" assigned to the Capital Securities by any Rating Agency when compared to the "equity credit" assigned to the Capital Securities immediately prior to the occurrence of the relevant Benchmark Event from such Rating Agency or (ii) otherwise prejudice the eligibility of the Capital Securities for "equity credit" from any Rating Agency.

(ii) As used in this Condition 4(j):

"Adjustment Spread" means either a spread (which may be positive or negative or zero), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser acting in good faith determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Holders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or

- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued;

- (D) the later of (I) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (II) the date falling six months prior to the specified date referred to in (D)(I) above;

The Issuer may, at any time and at its sole discretion, elect to defer any Interest Payment, in whole but not in part, which is otherwise scheduled to be paid on an Interest Payment Date (except on any Interest Payment Date on which the Capital Securities are to be redeemed) by giving notice (a "**Deferral Notice**") of such election to the Holders in accordance with Condition 18 (*Notices*), the Fiscal Agent and to the Paying Agents not less than seven Business Days prior to the relevant Interest Payment Date.

Any Interest Payment so deferred pursuant to this Condition 5(a) (*Deferral of Interest Payments*) shall, from (and including) the Interest Payment Date on which such Interest Payment would (but for its deferral) have been payable to (but excluding) the date on which it is paid in full, itself bear interest at the Interest Rate prevailing from time to time (which interest shall compound on each subsequent Interest Payment Date) and, for so long as the same remains unpaid, such deferred interest (together with the interest accrued thereon) shall constitute "**Deferred Interest**".

- (A) the 10th Business Day following the date on which a Deferred Interest Payment Event occurs;
- (B) any Interest Payment Date in respect of which the Issuer does not elect to defer the interest accrued in respect of the relevant Interest Period; and
- (C) the date on which the Capital Securities are redeemed or repaid in accordance with Condition 6 (*Redemption*) or Condition 12 (*Default and Enforcement*).

Notice of any Deferred Interest Payment Event shall be given by the Issuer to the Holders in accordance with Condition 18 (*Notices*), the Fiscal Agent and to the Paying Agents within three Business Days of such event.

Upon the expiry of such notice, the Issuer shall redeem the Capital Securities.

(c) ***Redemption upon a Tax Deductibility Event, a Capital Event or an Accounting Event***

- (i) 101 per cent. of their principal amount, where such redemption occurs before 30 October 2026; or
- (ii) 100 per cent. of their principal amount, where such redemption occurs on or after 30 October 2026,

Upon the expiry of such notice, the Issuer shall redeem the Capital Securities.

(e) ***Redemption for Change of Control Event***

If on or after the Issue Date (i) a Change of Control occurs; and (ii) within the Change of Control Period, a Rating Downgrade in respect of that Change of Control occurs (a "**Change of Control Event**") the Issuer may, at the earliest on the date following the expiry of the Exercise Period, and upon giving not less than 10 nor more than 60 days' notice to the Holders (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all, but not some only, of the Capital Securities at an amount equal to 100 per cent. of their principal amount together with any Deferred Interest and any other accrued and unpaid interest up to (but excluding) the redemption date.

Upon the expiry of such notice, the Issuer shall redeem the Capital Securities.

Immediately upon the Issuer becoming aware that a Change of Control Event has occurred, the Issuer shall give notice (a "**Change of Control Notice**") to the Holders in accordance with Condition 18 (*Notices*) specifying the nature of the Change of Control Event.

(f) ***Make-whole Redemption at the Option of the Issuer***

The Issuer may redeem all (but not some only) of the Capital Securities on any day other than a Par Call Date at the applicable Make-whole Redemption Amount on giving not less than 10 and not more than 60 calendar days' notice (which shall specify the date fixed for redemption (the "**Make-whole Redemption Date**")) to the Holders in accordance with Condition 18 (*Notices*). No later than the Business Day immediately following the Calculation Date, the Make-whole Calculation Agent shall notify the Issuer and the Paying Agents and, in accordance with Condition 18 (*Notices*), the Holders of the Make-whole Redemption Amount.

In this Condition 6(f):

"Make-whole Redemption Rate" means (a) the mid-market annual yield to maturity of the Reference Security which appears on the Relevant Make-whole Screen Page at 11:00 a.m. (Central European Time) on the Calculation Date or (b) to the extent that the mid-market yield to maturity does not appear on the Relevant Make-whole Screen Page at such time, the arithmetic average of the number of quotations given by the Reference Dealers of the mid-market yield to maturity of the Reference Security at or around 11:00 a.m. (Central European Time) on the Calculation Date.

"Similar Security" means a German *Bundesobligationen* having an actual or interpolated maturity comparable with the remaining term to the next Par Call Date of the Capital Securities that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the next Par Call Date of the Capital Securities.

7. **Substitution or Variation**

If at any time a Tax Deductibility Event, a Capital Event, a Withholding Tax Event or an Accounting Event has occurred on or after the Issue Date and is continuing, then the Issuer may, subject to Condition 8 (*Preconditions to Special Event Redemption, Change of Control Event Redemption, Substitution or Variation*) (without any requirement for the consent or approval of the Holders or Couponholders) and having given not less than 15 nor more than 60 days' notice to the Paying Agents and, in accordance with Condition 18 (*Notices*), to the Holders (which notice shall be irrevocable), at any time either:

- (i) substitute all, but not some only, of the Capital Securities for Qualifying Capital Securities; or
- (ii) vary the terms of the Capital Securities with the effect that they remain or become, as the case may be, Qualifying Capital Securities.

Upon expiry of such notice, the Issuer shall either vary the terms of or, as the case may be, substitute the Capital Securities in accordance with this Condition 7 (*Substitution or Variation*).

In connection with any substitution or variation in accordance with this Condition 7 (*Substitution or Variation*), the Issuer shall comply with the rules of any stock exchange on which the Capital Securities are for the time being listed or admitted to trading.

8. **Preconditions to Special Event Redemption, Change of Control Event Redemption, Substitution or Variation**

Prior to the publication of any notice of redemption pursuant to Condition 6 (*Redemption*) (other than redemption pursuant to Condition 6(b) (*Issuer's Call Option*)) or any notice of substitution or variation pursuant to Condition 7 (*Substitution or Variation*), the Issuer shall deliver to the Fiscal Agent a certificate signed by two authorised signatories of the Issuer stating:

- (i) that the relevant requirement or circumstance giving rise to the right to redeem, substitute or vary (as the case may be) the Capital Securities is satisfied;
- (ii) in the case of a Withholding Tax Event, that the Issuer is unable to avoid paying additional amounts by taking measures reasonably available to it;
- (iii) in the case of an Accounting Event only, a copy of a letter or report from a recognised international accounting firm confirming that an Accounting Event has occurred; and
- (iv) in the case of a substitution or variation pursuant to Condition 7 (*Substitution or Variation*), that:
 - (A) the Issuer has determined that the terms of the Qualifying Capital Securities are not materially less favourable to Holders than the terms of the Capital Securities and that determination was reasonably reached by the Issuer in consultation with an independent investment bank, independent financial adviser or legal counsel of international standing;
 - (B) the criteria specified in paragraphs (a) to (h) of the definition of Qualifying Capital Securities will be satisfied by the Qualifying Capital Securities upon issue; and
 - (C) the relevant substitution or variation (as the case may be) will not result in the occurrence of a Special Event.

In addition, (i) in the case of a Tax Deductibility Event or a Withholding Tax Event, the Issuer shall deliver to the Fiscal Agent an opinion of independent legal or other tax advisers to the effect that the relevant requirement or circumstance giving rise to the right to redeem, substitute or vary is satisfied (save, in the case of a Withholding Tax Event, as to whether reasonable measures to avoid paying additional amounts are available to the Issuer) and (ii) in the case of a Tax Deductibility Event only, the Issuer shall deliver to the Fiscal Agent a tax ruling from the Swedish tax authorities, issued prior to the Tax Law Change, which confirms that the Issuer was entitled to claim a Tax Deduction on or after the Issue Date.

Such certificate and, if applicable, opinion and tax ruling shall be conclusive and binding on the Holders and the Couponholders.

Any redemption of the Capital Securities in accordance with Condition 6 (*Redemption*) shall be conditional on all Deferred Interest being paid in full in accordance with the provisions of Condition 5(b)(ii) (*Mandatory Settlement*) on or prior to the date of such redemption.

9. **Purchases and Cancellation**

(a) ***Purchase***

Each of the Issuer and any of its Subsidiaries may at any time purchase or procure others to purchase beneficially for its account any or all Capital Securities in the open market or otherwise and at any price. The Capital Securities so purchased may be held or resold (**provided that** such resale is outside the United States and is otherwise in compliance with all applicable laws) or surrendered for cancellation at the option of the Issuer or otherwise, as the case may be in compliance with Condition 9(b) (*Cancellation of Capital Securities*) below. Any purchases of

Capital Securities will be made together with all unmatured Coupons and Talons appertaining thereto.

The Capital Securities so purchased, while held by or on behalf of the Issuer or any such Subsidiary shall not entitle the Holder to vote at any meeting of the Holders and shall not be deemed to be outstanding for the purposes of calculating quorums at meetings of the Holders or for the purposes of Condition 16 (*Meetings of Holders; Modification and Waiver; Issuer Substitution*).

(b) ***Cancellation of Capital Securities***

All Capital Securities which are redeemed pursuant to Condition 6 (*Redemption*) or substituted pursuant to Condition 7 (*Substitution or Variation*) and all Capital Securities purchased and surrendered for cancellation pursuant to Condition 9(a) (*Purchase*) (in each case, together with all unmatured Coupons and unexchanged Talons relating thereto) will be cancelled and may not be reissued or resold. For so long as the Capital Securities are admitted to trading on the Global Exchange Market ("**GEM**") of the Irish Stock Exchange plc, trading as Euronext Dublin ("**Euronext Dublin**") and the rules of such exchange so require, the Issuer shall promptly inform Euronext Dublin of the cancellation of any Capital Securities under this Condition 9(b) (*Cancellation of Capital Securities*).

10. **Payments**

(a) ***Method of Payment***

(i) *Principal, Premium and Interest*

Payments of principal, premium and interest will be made against presentation and surrender of Capital Securities or the appropriate Coupons (as the case may be) at the specified office of any of the Paying Agents except that payments of interest in respect of any period not ending on an Interest Payment Date will only be made against presentation and either surrender or endorsement (as appropriate) of the relevant Capital Securities. Such payments will be made by transfer to a Euro account (or other account to which Euro may be credited or transferred) maintained by the payee with a bank in a city in which banks have access to the TARGET System.

(ii) *Unmatured Coupons*

Upon the due date for redemption of any Capital Security, unmatured Coupons relating to such Capital Security (whether or not attached) shall become void and no payment shall be made in respect of them. Where any Capital Security is presented for redemption without all unmatured Coupons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

(iii) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Capital Securities, the Talon forming part of such Coupon sheet may be surrendered at the specified office of any of the Paying Agents in exchange for a further Coupon sheet (to include another Talon for a further Coupon sheet, if appropriate) (but excluding any Coupons that may have become void pursuant to Condition 13 (*Prescription*)).

(b) ***Payments on Business Days***

If the due date for payment of any amount in respect of any Capital Security or Coupon is not a business day in the place of presentation, the holder shall not be entitled to payment in such place of the amount due until the next succeeding business day in such place and shall not be entitled to any further interest or other payment in respect of any such delay. In this paragraph, "**business day**" means, in respect of any place of presentation, any day on which banks are open for presentation and payment of bearer debt securities and for dealings in foreign currencies in such place of presentation and, in the case of payment by transfer to a Euro account as referred to above, is a day on which the TARGET System is operating.

(c) ***Payments subject to Fiscal Laws***

All payments in respect of the Capital Securities are subject in all cases to any (i) applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 11 (*Taxation*) and (ii) withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 11 (*Taxation*)) any law implementing an intergovernmental approach thereto ("**FATCA Withholding**").

(d) ***Interpretation of Principal, Premium and Interest***

References in these Conditions to principal, premium, Interest Payments, Deferred Interest and/or any other amount in respect of interest shall be deemed to include any additional amounts which may become payable pursuant to Condition 11 (*Taxation*).

11. **Taxation**

All payments of principal, premium and interest (including Deferred Interest) in respect of the Capital Securities and the Coupons by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges ("**Taxes**") of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Sweden or any political subdivision thereof or any authority therein or thereof having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal, premium and interest (including Deferred Interest) on the Capital Securities and Coupons, unless the withholding or deduction of such Taxes is required by law. In that event the Issuer shall pay such additional amounts as will result in receipt by the Holders and the Couponholders after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Capital Security or Coupon:

- (a) presented for payment in Sweden; or
- (b) held by or on behalf of, a Holder who is liable for the Taxes in respect of such Capital Security or Coupon by reason of having some connection with Sweden other than the mere holding of such Capital Security or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder or Couponholder would have been entitled to additional amounts on presenting the same for payment on the last day of such period of 30 days assuming that day to have been a business day (as defined in Condition 10(b) (*Payments on Business Days*)).

Notwithstanding any other provision of the Conditions, any amounts to be paid on the Capital Securities by or on behalf of the Issuer, will be paid net of any deduction or withholding imposed or required pursuant to any FATCA Withholding. Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

Any reference in these Conditions to principal or interest (including Deferred Interest) shall be deemed to include any additional amounts in respect of principal or interest (as the case may be) which may be payable under this Condition 11 (*Taxation*) or any undertaking given in addition to or in substitution of this Condition 11 (*Taxation*).

12. **Default and Enforcement**

(a) ***Proceedings***

Without prejudice to the Issuer's right to defer the payment of interest under Condition 5(a) (*Deferral of Interest Payments*), if a default is made by the Issuer for a period of 30 days or more in relation to the payment of any interest, principal or premium in respect of the Capital Securities which is due and payable, then the Issuer shall be deemed to be in default under the Capital

Securities and the Coupons and any Holder may institute proceedings for an Issuer Winding-up **provided that** the default is continuing.

In the event of an Issuer Winding-up, a Holder may, provided such Holder does not contravene a previously adopted Extraordinary Resolution (if any), prove and/or claim in such Issuer Winding-up in respect of its Capital Securities, such claim being for such amount, and being subordinated in such manner, as is provided under Condition 3(a) (*Rights on a Winding-Up or Company Re-Construction*).

(b) ***Enforcement***

Any Holder may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Capital Securities or the Coupons but in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(c) ***Extent of Holders' Remedy***

No remedy against the Issuer, other than as referred to in this Condition 12 (*Default and Enforcement*), shall be available to the Holders or Couponholders, whether for the recovery of amounts owing in respect of the Capital Securities or the Coupons or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Capital Securities or the Coupons.

13. **Prescription**

Claims for principal and premium shall become void unless the relevant Capital Securities are presented for payment within ten years of the appropriate Relevant Date. Claims for interest shall become void unless the relevant Coupons (which for this purpose shall not include Talons) are presented for payment within five years of the appropriate Relevant Date. There shall be no prescription period for Talons but there shall not be included in any Coupon sheet issued in exchange for a Talon any Coupon the claim in respect of which would be void pursuant to this Condition 13 (*Prescription*) or Condition 10(a)(iii) (*Talons*).

14. **Replacement of Capital Securities, Coupons and Talons**

If any Capital Security, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Paying Agent, subject to all applicable laws, regulations and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require.

Mutilated or defaced Capital Securities, Coupons or Talons must be surrendered before replacements will be issued.

15. **Agents**

In acting under the Agency Agreement and in connection with the Capital Securities, Coupons and Talons, the Agents act solely as agents of the Issuer and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders or Couponholders.

The initial Paying Agent and its initial specified office is listed in the Agency Agreement. The Issuer reserves the right at any time to vary or terminate the appointment of the Paying Agent and to appoint a successor paying agent; **provided, however, that**

- (a) the Issuer shall at all times maintain a fiscal agent;
- (b) so long as the Capital Securities are listed on any stock exchange, there will at all times be a Paying Agent (which may be the Fiscal Agent) having a specified office outside Sweden in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority); and

- (c) a Paying Agent in a jurisdiction other than the jurisdiction in which the Issuer is incorporated.

Notice of any change in the Paying Agent or in its specified office shall promptly be given to the Holders in accordance with Condition 18 (*Notices*).

16. **Meetings of Holders; Modification and Waiver; Issuer Substitution**

(a) ***Meetings of Holders***

The Agency Agreement contains provisions for convening meetings of Holders to consider any matter affecting their interest, including the sanctioning by Extraordinary Resolution of a modification of the Capital Securities, the Coupons or any provision of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by it upon the request in writing of Holders holding not less than 10 per cent. of the aggregate principal amount of the outstanding Capital Securities. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more persons holding or representing more than 50 per cent. of the nominal amount of the Capital Securities for the time being outstanding or, at any adjourned meeting, one or more persons being or representing Holders whatever the principal amount of the Capital Securities so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Capital Securities or Coupons (including, inter alia, the provisions regarding subordination referred to in Condition 3 (*Subordination and Rights on a Winding-Up*), the terms concerning currency and due dates for payment of principal, premium or interest (including Deferred Interest) in respect of the Capital Securities and reducing or cancelling the principal amount of any Capital Securities, any premium or any Interest Rate), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than 75 per cent. or, at any adjourned such meeting, not less than 25 per cent. of the nominal amount of the Capital Securities for the time being outstanding. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Holders and Couponholders, whether or not they are present at any meeting and whether or not they voted on the resolution.

The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority of at least 75 per cent. of the votes cast, (ii) a resolution in writing signed by or on behalf of the Holders representing 75 per cent. or more in nominal amount of the Capital Securities for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing systems by or on behalf of the Holders representing 75 per cent. or more in nominal amount of the Capital Securities for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Holders.

The agreement or approval of the Holders shall not be required in the case of any variation of these Conditions required to be made in the circumstances described in Condition 7 (*Substitution or Variation*) in connection with the substitution or variation of the terms of the Capital Securities so that they remain or become Qualifying Capital Securities.

(b) ***Modification and Waiver***

The Capital Securities, these Conditions and the Deed of Covenant may be amended without the consent of the Holders if the modification is of a formal, minor or technical nature or is to correct a manifest error. In addition, the parties to the Agency Agreement may agree to modify any provision thereof, but the Issuer shall not agree, without the consent of the Holders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is, in the opinion of such parties, not materially prejudicial to the interests of the Holders.

Any such modification and waiver shall be binding on the Holders and the Couponholders.

(c) ***Issuer Substitution***

The Issuer, or any previously substituted company, may at any time, without the consent of the Holders or the Couponholders, substitute for itself as principal debtor under the Capital Securities and the Coupons on a subordinated basis equivalent to that referred to in Conditions 2 (*Status*) and 3 (*Subordination and Rights on a Winding-Up*) such company (the "**Substitute**") in the manner specified in the Agency Agreement, **provided that** no payment in respect of the Capital Securities or the Coupons is at the relevant time overdue and no Special Event will occur as a result of the

substitution. Such substitution shall be made by a deed poll (the "**Deed Poll**"), to be substantially in the form exhibited to the Agency Agreement, and may take place only if:

- (i) where the Substitute is incorporated, domiciled or resident for taxation purposes in a territory other than Sweden, the Deed Poll shall contain a covenant by the Substitute and/or such other provisions as may be necessary to ensure that each Holder has the benefit of a covenant in terms corresponding to the provisions of Condition 11 (*Taxation*) with the substitution for the references to Sweden of references to the territory or territories in which the Substitute is incorporated, domiciled and/or resident for taxation purposes;
- (ii) in the event that all the assets and liabilities of the Issuer are not assumed by the Substitute, the obligations of the Substitute under the Deed Poll, the Capital Securities and the Coupons shall be unconditionally and irrevocably guaranteed by the Issuer on the same subordinated basis as the Capital Securities under Condition 3 (*Subordination and Rights on a Winding-Up*) by means of the Deed Poll;
- (iii) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Capital Securities and Coupons represent valid, legally binding and enforceable obligations of the Substitute and if applicable, of the Issuer or the previously substituted company have been taken, fulfilled and done and are in full force and effect and the Substitute and the Issuer or the previously substituted company, if applicable, shall give a representation and warranty to this effect;
- (iv) the Substitute shall have become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (v) each stock exchange which has the Capital Securities listed thereon shall have confirmed that, following the proposed substitution of the Substitute, the Capital Securities would continue to be listed on such stock exchange;
- (vi) legal opinions addressed to the Holders and dated not more than 7 days prior to the substitution shall have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in paragraph (i) above, in the jurisdiction of the Issuer where it gives a guarantee pursuant to paragraph (ii) above and in England confirming (A) that the Substitute has obtained all necessary approvals for its assumptions of its duties and liabilities as the Substitute and, where relevant, the Issuer has obtained all necessary approvals for its giving of the guarantee referred to in (ii) above; (B) the status of the guarantee is in line with paragraph (ii) above; and (C) any documents to which the Substitute is a party under paragraphs (i), (ii) and (iv) above constitute legal and binding obligations of the Substitute;
- (vii) the Issuer shall have given at least 14 days' prior notice of such substitution to the Holders, stating that copies, or, pending execution, the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Holders, will be available for inspection at the specified office of each of the Paying Agents;
- (viii) the Substitute shall have appointed the process agent appointed by the Issuer in Condition 20(c) (*Appointment of Process Agent*) or another person with an office in England as its agent in England to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the Capital Securities; and
- (ix) two directors of the Issuer shall have certified to the Fiscal Agent for the benefit of the Holders that, following consultation with an independent investment bank of international standing, the Issuer has concluded that such substitution will not result in the terms of the Capital Securities immediately following such substitution being materially less favourable to Holders than the terms of the Capital Securities immediately prior to such substitution.

17. **Further Issues**

The Issuer may from time to time, without the consent of the Holders or the Couponholders, create and issue further Capital Securities having the same terms and conditions as the Capital Securities in all respects (or in all respects except for the first payment of interest) so that the same shall be consolidated and form a single series with the Capital Securities ("**Further Capital Securities**").

18. **Notices**

Notices to the Holders shall be valid if published in a leading newspaper having general circulation in London (which is expected to be the Financial Times or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe) and for so long as the Capital Securities are admitted to trading on Euronext Dublin and the rules of Euronext Dublin so require, publication will also be made in a leading daily newspaper having general circulation in the Republic of Ireland (which is expected to be the Irish Times). The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Capital Securities are for the time being listed. Any such notice shall be deemed to have been given on the date of first publication. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Holders.

19. **Currency Indemnity**

If any sum due from the Issuer in respect of the Capital Securities or any order or judgment given or made in relation thereto has to be converted from the currency (the "**First Currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**Second Currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Capital Securities or the Issuer, the Issuer shall indemnify each Holder, on the written demand of such Holder addressed to the Issuer and delivered to the Issuer, or to the specified office of the Fiscal Agent with its specified office in London against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the First Currency into the Second Currency and (ii) the rate or rates of exchange at which such Holder may in the ordinary course of business purchase the First Currency with the Second Currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof, on the date of such receipt. This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

20. **Governing Law and Jurisdiction**

(a) ***Governing Law***

The Agency Agreement, the Capital Securities, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with any of them, are governed by, and shall be construed in accordance with, English law, other than the provisions of Condition 3(a) (*Rights on a Winding-Up or Company Re-Construction*) and any non-contractual obligations arising out of or in connection with them which are governed by, and shall be construed in accordance with, the laws of Sweden.

(b) ***Jurisdiction***

The Issuer has irrevocably agreed for the benefit of the Holders and Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Capital Securities, the Coupons or the Talons, or any non-contractual obligation arising out of or in connection with them, and accordingly submits to the exclusive jurisdiction of the English courts.

The Issuer waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum.

The Holders and Couponholders may take any suit, action or proceedings (together referred to as "**Proceedings**") arising out of or in connection with the Capital Securities against the Issuer in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions if and to the extent permitted by law.

(c) ***Appointment of Process Agent***

The Issuer appoints Law Debenture Corporate Services Limited at 8th Floor, 100 Bishopsgate, London EC2N 4AG, as its agent for service of process, or to such other person with an address in England or Wales and/or at such other address in England or Wales as the Issuer may specify by notice in writing to the Holders. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

21. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Capital Securities under the Contracts (Rights of Third Parties) Act 1999.

22. **Definitions**

In these Conditions:

"5 Year EUR Mid-Swap Rate" means, with respect to a Reset Period, the mid swap rate for euro swap transactions with a maturity of five years ("**5 Year EUR Mid-Swap**"), as published on Reuters screen **ICESWAP2** under **FIXED VS. 6M EURIBOR** (or such other page or service as may replace it for the purposes of displaying European swap rates of leading reference banks for swaps in Euro) (in each case, the **Reset Screen Page**), as at approximately 11.00 a.m. (Central European time) on the Reset Interest Determination Date applicable to such Reset Period;

In the event that the relevant 5 Year EUR Mid-Swap Rate does not appear on the Reset Screen Page on the relevant Reset Interest Determination Date, the 5 Year EUR Mid-Swap Rate will be the Reset Reference Bank Rate on such Reset Interest Determination Date. The foregoing shall not apply if:

SUMMARY OF PROVISIONS RELATING TO THE CAPITAL SECURITIES IN GLOBAL FORM

Global Capital Securities and Definitive Capital Securities

The Capital Securities will initially be represented by a temporary global capital security (the "**Temporary Global Capital Security**") which will be deposited on or around the Issue Date with a common depository for Euroclear and Clearstream, Luxembourg.

The Temporary Global Capital Security will be exchangeable in whole or in part for interests in a permanent global capital security (the "**Permanent Global Capital Security**" and, together with the Temporary Global Capital Security, the "**Global Capital Securities**") not earlier than 40 days after the Issue Date upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Capital Security unless exchange for interests in the Permanent Global Capital Security is improperly withheld or refused. In addition, interest payments in respect of the Capital Securities while they are represented by the Temporary Global Capital Security cannot be collected without such certification of non-U.S. beneficial ownership.

The Permanent Global Capital Security will become exchangeable in whole, but not in part, for Capital Securities in definitive form (the "**Definitive Capital Securities**") in the denominations of EUR100,000 and integral multiples of EUR1,000 in excess thereof up to and including EUR 199,000 at the request of the bearer of the Permanent Global Capital Security against presentation and surrender of the Permanent Global Capital Security to the Fiscal Agent if either of the following events (each, an "**Exchange Event**") occurs: (a) Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or (b) any of the circumstances described in Condition 12 (*Default and Enforcement*) occurs.

So long as the Capital Securities are represented by a Temporary Global Capital Security or a Permanent Global Capital Security and the relevant clearing system(s) so permit, the Capital Securities will be tradeable only in the minimum authorised denomination of EUR100,000 and higher integral multiples of EUR1,000, notwithstanding that no Definitive Capital Securities will be issued with a denomination above EUR 199,000.

Whenever the Permanent Global Capital Security is to be exchanged for Definitive Capital Securities, the Issuer shall procure the prompt delivery (free of charge to the bearer) of such Definitive Capital Securities, duly authenticated and with Coupons (and, if applicable a Talon) attached, in an aggregate principal amount equal to the principal amount of the Permanent Global Capital Security to the bearer of the Permanent Global Capital Security against the surrender of the Permanent Global Capital Security to or to the order of the Fiscal Agent within 30 days of the occurrence of the relevant Exchange Event.

Modifications to the terms of the Capital Securities whilst in global form

In addition, the Temporary Global Capital Security and the Permanent Global Capital Security will contain provisions which modify the Conditions as they apply to the Capital Securities for so long as they are represented by the Temporary Global Capital Security and/or the Permanent Global Capital Security. The following is a summary of certain of those provisions:

Payments

All payments in respect of the Temporary Global Capital Security and the Permanent Global Capital Security will be made to, or to the order of, the bearer of the same against presentation and (in the case of payment of principal in full with all Deferred Interest and any other interest accrued thereon) surrender of the Temporary Global Capital Security or (as the case may be) the Permanent Global Capital Security to or to the order of any Fiscal Agent, and each payment so made will be effective to satisfy and discharge the corresponding liabilities of the Issuer in respect of the relevant amount so paid on the Capital Securities.

A record of each payment made will be endorsed on the appropriate part of the schedule to the relevant Global Capital Security by or on behalf of the Fiscal Agent, which endorsement shall be prima facie evidence that such payment has been made in respect of the Capital Securities.

Calculation of interest

For so long as all of the Capital Securities are represented by the Temporary Global Capital Security and/or the Permanent Global Capital Security (as the case may be), interest shall be calculated in respect of the entire principal amount of Capital Securities represented by the Temporary Global Capital Security and/or the Permanent Global Capital Security (as the case may be) and not per Calculation Amount as provided in Condition 4(a) (*Interest Accrual*).

Transfers

Transfers of book-entry interests in the Capital Securities will be effected through the records of Euroclear and Clearstream, Luxembourg and their respective direct and indirect participants in accordance with their respective rules and procedures.

Redemption and cancellation

Any redemption or purchase and cancellation of any Capital Securities will be effected by a corresponding reduction in the nominal amount of the Temporary Global Capital Security or Permanent Global Capital Security representing such Capital Securities.

For so long as all of the Capital Securities are represented by the Temporary Global Capital Security and/or the Permanent Global Capital Security (as the case may be) and the same are deposited with a common depository for Euroclear and Clearstream, Luxembourg, notices to Holders may be given, in lieu of publication as provided in Condition 18 (*Notices*), by delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for onwards transmission to the Holders and, in any case, such notice shall be deemed to have been given to the Holders in accordance with Condition 18 (*Notices*) on the date of delivery of the notice to Euroclear and Clearstream, Luxembourg.

For so long as such Capital Securities are admitted to listing and/or trading on any market or stock exchange, notice shall also be given in such manner as may be required or permitted by the rules of such market or stock exchange.

USE OF PROCEEDS

An amount equal to the net proceeds of the issue of the Capital Securities will be used by the Issuer for general corporate purposes (including investments, acquisitions and development projects) that will fund Eligible Assets to promote social purposes in accordance with SBB's Sustainable Financing Framework.

DESCRIPTION OF THE ISSUER AND ITS OPERATIONS

Prospective investors should have regard to the description of the Issuer and its Operations described under the section headed "*Description of SBB and its Operations*" on pages 82 to 94 of the Base Prospectus, which is incorporated by reference into these Listing Particulars.

Recent Developments

On 14 June 2021 the Issuer announced that it had sold 14,947,109 shares in Entra ASA at a price of NOK 210 per share to Castellum, corresponding to NOK 3.14 billion. Entra ASA's total shares are 182,132,055 as of 31 December 2020. The sale represents approximately a 10 per cent. return during the time of the holding, corresponding to an annual return of 20 per cent.

The Issuer also announced on 14 June 2020 the decision not to proceed with a planned secondary listing of its ordinary class B shares on the Oslo Stock Exchange.

On 11 June 2021 the Issuer announced an agreement to sell nine properties (including public offices and judicial properties in Norway) for a property value of approximately NOK 1,200 million.

On 7 June 2021 the Issuer announced that it had acquired 13,975,000 shares in John Mattsson Fastighetsföretagen AB ("**JM AB**") at a price of SEK 326.30 per share from OBOS (a Norwegian housing developer), corresponding to SEK 4.56 billion. The shares represent 20.08 per cent. of the shares and voting rights in JM AB, making it an associated company to the Issuer.

As consideration to the shareholders in Offentliga Hus i Norden AB (publ) electing share consideration during the extended acceptance period in the offer, a share issue of common shares of class D has been registered with the Swedish Companies Registration Office and Euroclear during May 2021, which has increased the number of class D shares. TAXATION

Certain Swedish tax considerations

The following is a general description of certain Swedish tax consequences relating to the acquisition, ownership and disposal of Capital Securities (i.e. perpetual securities in respect of which there is no fixed redemption date). The summary is based on Swedish tax legislation currently in effect and is only intended to provide general information. Consequently, the summary is not exhaustive and does not address all potential aspects of Swedish taxation that may be relevant for a prospective purchaser of Capital Securities and the summary is neither intended nor should be construed as legal or tax advice. The summary does for example not cover (i) Capital Securities held as current assets in a business operation, (ii) Capital Securities held via a capital insurance policy (Sw. *kapitalförsäkring*), (iii) Capital Securities held on an investment savings account (Sw. *investeringssparkonto*), or (iv) taxation of foreign exchange gains and losses in connection with an investment in the Capital Securities. Special tax rules apply to certain categories of taxpayers, such as investment companies and insurance companies. These rules are not described in this summary.

Also, the summary does not cover the rules on reporting obligations for, among others, payers of interest.

Since the tax treatment of each Holder depends on the Holder's particular circumstances, each prospective purchaser of Capital Securities should consult a tax adviser regarding the specific tax consequences that may arise in the individual case, including the applicability and effect of foreign tax rules and tax treaties.

Resident Holders of Capital Securities

As used herein, a resident Holder means a Holder of Capital Securities who is (a) an individual who is a resident in Sweden for tax purposes, or (b) an entity organised under the laws of Sweden or which is otherwise resident in Sweden for tax purposes.

Generally, for Swedish companies and individuals (and estates of deceased individuals) that are resident Holders of Capital Securities, all income on Capital Securities (for example income that is considered as interest for Swedish tax purposes and capital gains on Capital Securities) will be taxable. For companies the tax rate is currently 20.6 per cent and for individuals the tax rate is 30 per cent. Capital losses on listed Capital Securities are fully deductible, for individuals however, only against taxable income in the capital income category. Should a net loss arise in this income category, a reduction is granted of the tax on income from employment and business operations as well as property tax. This tax reduction is 30 percent of the net loss that does not exceed SEK 100 000 and 21 percent of any remaining net loss. A net loss cannot be carried forward to future tax years.

Swedish preliminary tax may be withheld at a rate of 30 per cent in relation to payments of amounts on the Capital Securities that are considered as interest for Swedish tax purposes to resident Holders that are individuals (or estates of deceased individuals). Otherwise, no Swedish preliminary tax should be withheld in relation to payments on the Capital Securities.

Non-resident Holders of Capital Securities

As used herein, a non-resident Holder means a Holder of Capital Securities who is (a) an individual who is not resident in Sweden for tax purposes, or (b) an entity not organised under the laws of Sweden and which is not otherwise resident in Sweden for tax purposes.

Payments of principal, premium or interest in respect of the Capital Securities to a non-resident Holder of Capital Securities should not be subject to Swedish income tax **provided that** such Holder does not have a permanent establishment in Sweden to which the Capital Securities are effectively connected. Also, no Swedish withholding tax should be levied on payments of principal, premium or interest in respect of the Capital Securities to a non-resident Holder of Capital Securities.

The Holders may, however, be subject to tax in the country where they are resident for tax purposes.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria,

Portugal, Slovenia and Slovakia (the "**participating Member States**"). However, Estonia has since stated that it shall not participate.

The Commission's Proposal has a very broad scope and could, if introduced, apply to certain dealings in the Capital Securities (including secondary market transactions) in certain circumstances. The issuance and subscription of Capital Securities should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Capital Securities where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, established in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EEA member states may decide to participate and certain of the participating Member States may decide to withdraw.

Prospective holders of the Capital Securities are advised to seek their own professional advice in relation to the FTT.

Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering, an offer or sale of Capital Securities within the United States by any dealer that is not participating in the offering may violate the registration requirements of the Securities Act.

Joint Bookrunners transacting with the Issuer

In the ordinary course of their business activities the Joint Bookrunners and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. The Joint Bookrunners or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Joint Bookrunners and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Capital Securities. Any such short positions could adversely affect future trading prices of Capital Securities. The Joint Bookrunners and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Yield

On the basis of the issue price of the Capital Securities of 99.376 per cent. of their principal amount, the yield on the Capital Securities for the period until the First Reset Date is 3.000 per cent. on an annual basis.

The yield is calculated on the Issue Date on the basis of the issue price of the Capital Securities. It is not an indication of future yield.

Interests of natural and legal persons involved in the issue of the Capital Securities

Save for the commissions described under "**Subscription and Sale**", so far as the Issuer is aware, no person involved in the issue of the Capital Securities has an interest material to the offer.
